

# Me And The Moon

## The Drums

Darling, you can be so unforgiving,

You can be so unloving,

You can be misunderstanding,

But i don't know how to feel without your love...So tell me what to do do do do dodododo do doIt's a lovely  
night with the moon in the sky-e-ohIt's a lovely night with that look in your eye-e-ohBut you still sleep with  
your back to me.

Is it me and you?

Or is it me and the moon?Oh baby, I thought that you forgave me,

I thought that you still loved me,

Don't you need me?...I want it forever, (X 16)It's a lovely night with the moon in the sky-e-ohIt's a lovely night  
with that look in your eye-e-ohBut you still sleep with your back to me.

Is it me and you?

Or is it me and the moon?
