Didn't I?

Negghead

Didn't I give you midnight?
Didn't I give you the month of June
Didn't I make it alright
When everything was ruined
Didn't I say didn't I
Didn't you say Didn't I too
Didn't we both say Didn't I
'Till didn't we say we're through
Didn't I try, Didn't I cry
Didn't I?
Sorry that your mother dropped you on your head
Maybe her mother dropped her too

In the end we all get dropped
We all get black and blue
But didn't I always love you long
When time was short and the night was cold
Didn't I admit that I was wrong
When the anger was new but the fight was old
Didn't I say didn't I
'Till didn't we say we're through
Didn't I try, Didn't I cry
Didn't I, Didn't I,
Didn't I do?
