

'Cause I'm a Blonde

Julie Brown

Because I'm a blonde, I don't have to think.
I talk like a baby, and I don't pay for drinks.

Never have to worry 'bout gettin' a man
As long as I keep this blond and I keep this tan,

'Cause I'm a blonde, yeah, yeah, yeah.
'Cause I'm a blonde, yeah, yeah, yeah.

I see people working and it only makes me giggle
'Cause I don't have to work; I just have to jiggle.

I'm a blonde, B-L-O-N-D[-E].
I'm a blonde; don't you wish you were me?

I never learned to read, and I never learned to cook.

Why should I bother when I look like I look?
I know lots of people are smarter than me,
But I have this philosophy:
So what?

I'm a blonde, yeah, yeah, yeah.
I see girls without dates, and I feel so sorry for 'em,
'Cause whenever I'm around, all the men ignore 'em,

'Cause I'm a blonde, nyah, nyah, nyah.
'Cause I'm a blonde, nyah, nyah, nyah.

They say that to make it, you need talent and ambition.
Well, I got a TV show, and this was my audition:

Umm ... okay ... what was it? ... umm ...
Don't tell me ... Oh, yeah, okay.
[Duck], Magnum, [duck]!

'Cause I'm a blonde, yeah, yeah, yeah.
'Cause I'm a blonde, yeah, yeah, yeah.

I took a IQ test, and I flunked it, of course.

I can't spell VW, but I got a Porsche,

'Cause I'm a blonde, B-L-[O]-N-D[-E].
I'm a blonde; don't you wish you were me?

I just want to say that being chosen this month's Miss August
Is, like, a compliment that I'll remember for as long as I can.
Right now I'm a freshman in my fourth year at UCLA,
And my goal is to become a veterinarian because I love children.

'Cause I'm a blonde, yeah, yeah, yeah.
'Cause I'm a blonde, yeah, yeah, yeah.

Other girls think I'm snotty, and maybe it's true.
With my hair and body, you would be too.
I'm a blonde, B-L- ... I don't know!

'Cause I'm a blonde, yeah, yeah, yeah.
'Cause I'm a blonde, yeah, yeah, yeah!
