Burger Man

ZZ Top

My charcoal's getting red hot
Put your order in my hand
Won't you let me show you what I got
Sizzlin' in the pan?Anyway you want it baby
I am your burger manIf you needing good hot grillin'
Try my burger stand
If you need a slice of thrillin'
I'm the baddest in the landAnyway you want it baby
I am your burger manDid you want double meat?
How 'bout some fries on the side?Once you try my burger baby
You'll grow a new thyroid gland
I said, "Just eat my burger, baby
Make you smart as Charlie Chan"Anyway you want it baby
I am your burger man
Anyway you want it baby
I'm your burger manYou see the hot sauce can't be beat
Sit back and open wideI'm your burger man, baby
Oh, I'm your burger man
