

Hey, Where's Your Girl

Lambchop

Hey, where's your girl (f. m. cornog)
Hey where's your girl
Hey where'd she go
Did you just get tired
Did you just get old
Like a beat up doll
That gets thrown away
Dumped on the street
Near the big highway You were so tall
You were so fine
But they all come back
They fell in love
You were the one
And you took control
But they all bent down
They lost their soul I'm going inside...
