Heaven Bound

Jamey Johnson

The first time I held your hand
I knew I was a lucky man
Felt like God forgave me
Of all my wrongsI keep tellin' myself
That I'm heaven boundSometimes it sure gets cold
And the fall on music roll
But it's worth it
If it gets me by somehowI keep tellin' myself
That I'm heaven bound'Cause it seems like we don't ever
Have near enough time together
AnymoreAnd all these lonely nights without you
Will go away when I can hold you
In my armsI keep tellin' myself
That I'm heaven bound
I keep tellin' myself
That I'm heaven bound
I keep tellin' myself
