

Words You Say

Moody Blues

Words you say to me
I listen in sympathy
But I don't know what it is
That makes me ignore you I hear you every night
I listen but the words don't seem right
My mind seems somewhere else
What else can I tell you? I don't know what to do
I'm losing you
Something I can't control
You are in my heart and soul I don't want to wake up now
I don't want to wake up now
I don't want to wake up now
I don't want to wake up now Words you say to me
I'm living in fantasy
If I don't know what it is
I simply ignore you I hear you every night
I listen but the time is never right
My life is so confused
What more can I tell you? Don't turn and walk away
Don't leave this way
Something I can't control
You are in my heart and soul I don't want to wake up now
I don't want to wake up now
I don't want to wake up now
I don't want to wake up now
