

Let It Rain

Tracy Chapman

Let it rain
As I walk these streets unknown
To no one named
Not even myself
When I'm low Give me hope
That help is coming
When I need it most
Give me hope
That help is coming
When I need it most Let it go
No mother no father no home
Forget as all others
Have forgotten
When I'm alone But give me hope
That help is coming
When I need it most
Give me hope
That help is coming
When I need it most Let it come
Love that lifts me up
Pain that brings me down
Everything I'd ever want and don't
When I'm not strong But give me hope
That help is coming
When I need it most
Give me hope
That help is coming
When I need it most Let it rain
Let it flood these streets and wash me away
To where it makes no difference who I am
Or what the future holds
When I don't know But give me hope
That help is coming
When I need it most
Give me hope
That help is coming
When I need it most
