Walking In Light [Th' Dudes cover]

Disjecta Membra

I see things through a different doorway,
Felon committed
Ain't that a crime?
A thousand things to be
Every time...
Every time
I'm Walking in Light
I'm Walking in Light
I'm Walking in Light

I'm Walking in Light
I'm Walking in Light
I'm Walking in Light

There's a light at the end of the hallway
Very luminous
Sun that won't shine
I'm not drunk; I'm blind
Every time...
Every time

I'm Walking in Light
I'm Walking in Light
I'm Walking in Light

I'm Walking in Light
I'm Walking in Light
I'm Walking in Light

My friends tell me a different story
Street cats pass me
In the night
It's just hit and run
Every time...
Every time

I'm Walking in Light
I'm Walking in Light
I'm Walking in Light

I'm Walking in Light
I'm Walking in Light
I'm Walking in Lightï»¿
