Advisory - the following lyrics contain explicit language:

Heavenly Father  
Creator of all things  
I humble myself  
As I bow to Your throne  
Heavenly Father Before I sleep  
I pray to the Lord my soul to keep  
And if I should die before I wake  
I pray to the Lord my soul to take For goodness sake before I sleep  
I pray to the Lord my soul to keep  
And if I should die before I wake  
I pray to the Lord my soul to take  
Heavenly Father Lord, forgive me for the killings in the past  
All the corrupt business and the dealings that I had  
All these pregnant ladies that I serve up their ass  
Have me feeling like complete shit when I held my first gat They killed Tom right in front of his home  
They even murdered Steve and my empathy  
So I dropped to my knees, why it couldn't be me?  
Why you had to leave me here to deal with all this envy? Even though I got free, you might feel like I ain't free  
Hated by the gang tryin' to be something they can't be  
A couple hundred million is something we'll never see  
So we speedin', crashing headfirst into a tree Heavenly Father  
Before I sleep  
I pray to the Lord my soul to keep  
And if I should die before I wake  
I pray to the Lord my soul to take For goodness sake before I sleep  
I pray to the Lord my soul to keep  
And if I should die before I wake  
I pray to the Lord my soul to take  
Heavenly Father I've paid niggers rents, even paid niggers bells  
Gave niggers jobs, so they wouldn't go to jail  
Did so much dirt, niggers knew I wouldn't tell  
Paid for some funerals, they probably went to hell I don't owe nobody nothin', man, I get a bitter meal

I ain't beatin' around the bush, I'm just speakin' on what's real  
I ain't talkin' on no bullshit, man, I'm talkin' about what's real  
I ain't justifying beatings when she cheated on my nails  
Cheated with his brother, god damn, this bitch ill  
Probably the reason my nigger never left a will  
Things you never know, have mercy on his soul  
Big Pun, one of the most realest I ever known  
Heavenly Father  
Before I sleep  
I pray to the Lord my soul to keep  
And if I should die before I wake  
I pray to the Lord my soul to take  
For goodness sake before I sleep  
I pray to the Lord my soul to keep  
And if I should die before I wake  
I pray to the Lord my soul to take  
Heavenly Father  
When I die, I know they'll bury me a G  
Don't cry for me, just let a nigger a be  
In other words, let your nigger rest in peace  
I've been goin' so hard and I barely got sleep  
Lord, I know my mamma gonna take my pass at heart  
But let her know when these streets are little [Incomprehensible]  
[Incomprehensible] take a motherfucker's heart  
Many wars, you could see it on the police cars  
Lord, could you forgive me for my sins?  
Let me fly, would you help a nigger spread his wings?  
As I ride, you'll forever be my queen  
Just though for now, Danny had to go and meet the King  
Heavenly Father  
Before I sleep  
I pray to the Lord my soul to keep  
And if I should die before I wake  
I pray to the Lord my soul to take  
For goodness sake before I sleep  
I pray to the Lord my soul to keep  
And if I should die before I wake  
I pray to the Lord my soul to take  
For goodness sake  
Heavenly Father  
Creator of all things  
I humble myself  
As I bow to Your throne  
Heavenly Father
