

# Time To Save Our Love

Brian McFadden

Remember when we used to dance  
When we first met  
We used to talk all night and day  
Almost perfect  
But now I see you looking through me  
It's like you don't know me at all  
How come no one ever told me  
That I could end up walking alone Sometimes I wonder if it's gone away the love  
Somehow the words got lost along the way my love  
Yeah I know it's sad but it's true  
We gotta rewind and start all over  
Turn back to page one  
Not gonna let you go  
It's time to save our love Well I'm down in the ditch like a soldier  
Cause I told ya, you're worth fighting for  
Oh yeah  
And I don't believe that it's over  
Let me show ya we can be more  
Oh yeah you don't need to look into me  
To see baby you are my world yeah  
So let's drag ourselves though this  
Cause baby losing this could be love Sometimes I wonder if it's gone away the love  
Somehow the words got lost along the way my love  
Yeah I know it's sad but it's true  
We gotta rewind and start all over  
Turn back to page one  
Not gonna let you go  
It's time to save our love  
Not gonna let you go  
Oh Sometimes I wonder if it's gone (gone) away (away) the love (the love)  
Somehow the words got lost along the way my love  
Yeah I know it's sad but it's true  
We gotta rewind and start all over  
Turn back to page one  
Not gonna let you go  
It's time to save our love
