

# Phantoms of Death

## Halloween

There are phantoms here on earth who take away our lives  
They kill your kids and they rape your wives  
They rip your flesh, tear your heart, take you down to hell  
They don't give a damn on any kind of life Phantoms bring evil, destruction and death  
Night after night, the same old game  
They all look so harmless but deep in their hearts  
Satan is lurking, and he will break out Always someone at your back  
Only waiting to attack  
Phantoms of death  
Phantoms of death The empire of deceivers is built upon your fear  
You'll have to lose it 'cause the end is near  
Warheads, armies stand to strike, I know it isn't right  
I wanna get out of here I don't wanna die Internal destruction and fire you'll burn  
Then you'll be helpless but it's not too late  
Stand up right now and you'll be the winner  
Or Satan will get you, take you forever Genocide everywhere  
Where's the Savior of this world  
Phantoms of death  
Phantoms of death Where is he the promised Savior, the one who'll save the earth  
Perhaps he'll come to bury us but then it'll be too late  
Who are they who are the phantoms who will end our lives  
It's you and me, you and me open up your eyes Phantoms bring evil, destruction and death  
Night after night, the same old game  
They all look so harmless but deep in their hearts  
Satan is lurking, and he will break out We are all parasites  
Of this world we shall die  
Phantoms of death  
Phantoms of death  
Phantoms of death  
Phantoms of death
