Cyborg

Brian May

Welcome to my world!!!
Come play with me, I'm waitingI play their fantasy and
I live their pain
My heart and soul locked up in a
Cold steel frame
A strange creature's crawling and it's
Calling out my name
I don't want to
I don't need to
But I must fight again
(Let me out! Set me free!)Cyborg, it's your timeI'll make it back there baby
Just you watch me try
(One more try, just one more try)
We'll fly again
Into the deep blue sky
I feel a hunger baby
Cyborg feels no shame
Lord I have to
Lord I need to
Win this wicked gameCome step to meCalling out for the cyborg
Gonna rub you out
Time is up for the cyborg
You'll never get out
Calling out for the cyborg
Gonna put you light out
Bah! you're nothing but a cyborg
You'll never get outI'm gonna erase your file
