

# Cyborg

Brian May

Welcome to my world!!!  
Come play with me, I'm waiting I play their fantasy and  
I live their pain  
My heart and soul locked up in a  
Cold steel frame  
A strange creature's crawling and it's  
Calling out my name  
I don't want to  
I don't need to  
But I must fight again  
(Let me out! Set me free!) Cyborg, it's your time I'll make it back there baby  
Just you watch me try  
(One more try, just one more try)  
We'll fly again  
Into the deep blue sky  
I feel a hunger baby  
Cyborg feels no shame  
Lord I have to  
Lord I need to  
Win this wicked game Come step to me Calling out for the cyborg  
Gonna rub you out  
Time is up for the cyborg  
You'll never get out  
Calling out for the cyborg  
Gonna put you light out  
Bah! you're nothing but a cyborg  
You'll never get out I'm gonna erase your file
