

Stay Sippin' (feat. Raheem DeVaughn)

[Traci Braxton](#)

Oh, Said I'm sippin'
And I ain't trippin' No, no, no, no And I be trippin'
I'ma sip til' I get filled Sip til' I get filled Now what's this number for?
Cause I stopped keeping score
Lost track a few rounds ago
I'm so far in the zone
How many drinks til' I don't love you no more
Now I'm sippin', sippin'
And I'ma stay sippin', sippin'
I ain't even trippin'
Figure if I'm faded, I won't feel the pain
So I drink after drink til' I can't remember anything about tonight
Since you been gone I been sippin', so tonight I'm gonna stay sippin' Cause right now, I don't wanna feel it, I
don't wanna think about you
I don't wanna feel it, I don't wanna think about you
I don't wanna feel it, I don't wanna think about you I don't wanna feel it, I don't wanna know
