Happy (Radio Edit)

Leona Lewis

Someone once told me that you have to choose
What you win or lose
You can't have everythingDon't you take chances
Might feel the pain
Don't you love in vain
'Cause love won't set you free
I can't stand by the side
And watch this life pass me by
So unhappy
But safe as could beSo what if it hurts me?
So what if I break down?
So what if this world just throws me off the edge
My feet run out of ground
I gotta find my place
I wanna hear my sound
Don't care about all the pain in front of me
'Cause I'm just trying to be happy, yeah
Just wanna be happy, yeahHolding on tightly
Just can't let it go
Just trying to play my role
Slowly disappear, oh
Well all these days, they feel like they're the same
Just different faces, different names
Get me out of here
But I can't stand by your side, oh no
And watch this life pass me by, pass me bySo what if it hurts me?
So what if I break down?
So what if this world just throws me off the edge
My feet run out of ground
I gotta find my place
I wanna hear my sound
Don't care about all the pain in front of me
'Cause I'm just trying to be happy, oh, happy, ohSo any turns that I can't see,
Like I'm a stranger on this road
But don't say victim
Don't say anythingSo what if it hurts me?
So what if I break down?
So what if this world just throws me off the edge
My feet run out of ground

I gotta find my place
I wanna hear my sound
Don't care about all the pain in front of me
I just wanna be happy
Oh, yeah, happy, oh, happy
I just wanna be, oh
I just wanna be happy
Oh, happy
