

# Suitcases

**Dara Maclean**

How can you move when they're weighing you down  
What can you do when you're tied to the ground, yeah  
You carry your burdens, heavy like gravity  
Just let them go now, there's freedom in release You can't run when you're holding suitcases  
It's a new day throw away your mistakes and open up your heart  
Lay down your guard, you don't have to be afraid Just breathe, your load can be lifted  
There's a better way when you know you're forgiven  
Open up your heart, lay down your guard  
You don't have to be afraid Can you imagine what it's like to be free  
Well, send those bags packing, they're not what you need  
Abandon your troubles on the side of the street  
Just let them go now, believe me You can't run when you're holding suitcases  
It's a new day throw away your mistakes and open up your heart  
Lay down your guard, you don't have to be afraid Just breathe, your load can be lifted  
There's a better way when you know you're forgiven  
Open up your heart, lay down your guard  
You don't have to be afraid There's nothing hold you back now, just run You can't run when you're holding  
suitcases  
It's a new day throw away your mistakes and open up your heart  
Lay down your guard, you don't have to be afraid Just breathe, your load can be lifted  
There's a better way when you know you're forgiven  
Open up your heart, lay down your guard  
You don't have to be  
You don't have to be afraid
