

Dust

Andrew Maxwell Morris

When youâ€™ve given all
That you can give
And youâ€™re pockets are nearly empty
When youâ€™ve found that hole,
Youâ€™re slipping through
And youâ€™re money makes you happy
And youâ€™re money makes you happy

Before I turn to dust
Donâ€™t walk on by
Before I turn to rust
Donâ€™t wave goodbye
Before I runaway
From this disaster
You might not see me turn away.

When youâ€™re working hard
For everything
You might not realize
Thereâ€™s a light that shines
That shines in you
Thereâ€™s a voice youâ€™re friends have heard
Thereâ€™s a voice youâ€™re friends have heard
