

# Paddling Out (Jacques Lu Cont Remix)

Miike Snow

The west, the warm, the sunny south  
I see it's full of ancients  
For call the space between the crave  
That sound of road to me too There's someone here who laughs too hard at everything  
There's someone here who laughs too hard at everything  
You say isn't it hard?  
Paddling out, paddling out  
You say isn't it hard?  
Paddling out, paddling out For out to London, maintain crowd around here for the weekend  
We hide to take us close before The sun is gone completely  
I used to lie thinking clouds aside here and which was dust  
I lie as I throw myself out in the shower cold and thin There's someone here who laughs too hard at everything  
There's someone here who laughs too hard at everything  
You say isn't it hard?  
Paddling out, paddling out  
You say isn't it hard?  
Paddling out, paddling out You say isn't it hard?  
Paddling out, paddling out  
You say isn't it hard?  
Paddling out, paddling out
