

# Top of My Lungs

## The Voyces

Words of worship  
Rise like a river within me  
The thoughts to express are so many  
Wanna bless You God

Can't be silent  
I think of the mercies You show me  
My lips begin overflowing  
Great is Your love

Such gratitude for all that You do  
Jesus to You

At the top of my lungs I will sing Hallelujah  
You're the one who saved me  
The one who gave me this life I live  
For evermore, for evermore

At the top of my lungs I will sing Hallelujah  
I'm not ashamed, I'll praise Your name  
Let the whole world know, I love You, Lord  
I love You, Lord

You are worthy  
I join the song of creation  
That rings out across every nation  
Let my heart be heard

I need You so, I don't care who knows  
From the depths of my soul

At the top of my lungs I will sing Hallelujah  
You're the one who saved me  
The one who gave me this life I live  
For evermore, for evermore

At the top of my lungs I will sing Hallelujah  
I'm not ashamed, I'll praise Your name  
Let the whole world know, I love You, Lord

I love You, Lord

Let my love be loud  
A sweet joyful noise  
Only for You I lift up my voice  
I lift up my voice

At the top of my lungs I will sing Hallelujah  
You're the one who saved me  
The one who gave me this life I live  
For evermore, for evermore

At the top of my lungs I will sing Hallelujah  
I'm not ashamed, I'll praise Your name  
Let the whole world know, I love You, Lord  
I love You, Lord , yeah
