Brazil (feat. Frank Sinatra)

Paula Fernandes

Brazil, where hearts were entertaining June
We stood beneath an amber moon
And softly murmured "Someday soon"
We kissed and clung togetherThen, tomorrow was another day
The morning found me miles away
With still a million things to sayNow, when twilight dims the sky above
Recalling thrills of our love
There's one thing that I'm certain of
Return, I will to old BrazilBrazil, where hearts were entertaining June
We stood beneath an amber moon
And softly murmured "Someday soon"
We kissed and clung togetherThen, tomorrow was another day
The morning found me miles away
With still a million things to sayNow, when twilight dims the sky above
Recalling thrills of our loveThere's one thing that I'm so certain of
Return (Return), I will (I will) to old BrazilThat old (That old) Brazil (Brazil)
Very old (Very old) Brazil (Brazil)
