

Comfortable

The Aston Shuffle

It feels so comfortable in your arms tonight
I don't even know you
It feels so comfortable in your arms tonight
I don't even know you know you know you know you know you Take our time in the pouring rain
For we knew it would be okay
So we make out to see your light
To be as one It feels so comfortable in your arms tonight
I don't even know you
It feels so comfortable in your arms tonight
I don't even know you It feels so comfortable in your arms tonight
I don't even know you
It feels so comfortable in your arms tonight
I don't even know you know you know you know you know you Take our time in the pouring rain
For we knew it would be okay
So we make out to see your light
To be as one Take our time in the pouring rain
For we knew it would be okay
So we make out to see your light
To be as one It feels so comfortable in your arms tonight
I don't even know you
It feels so comfortable in your arms tonight
I don't even know you
