15 Step

Hamish Black

How come I end up where I started?
How come I end up where I went wrong?
Won't take my eyes off the ball again
You reel me out then you cut the string
How come I end up where I started?
How come I end up where I went wrong?
Won't take my eyes off the ball again
You used to reel me out and then you cut the string
You used to be alright
What happened?
Did the cat get your tongue
Did your string come undone
One by one
One by one

It comes to us all
It's as soft as your pillow
You used to be alright
What happened?
Et cetera, et cetera
Facts for whatever
Fifteen steps
Then a shear drop
How come I end up where I started?
How come I end up where I went wrong?
Won't take my eyes off the ball again
You reel me out then you cut the string
