

No Love Like Yours

Edward Sharpe & The Magnetic Zeros

Don't know my attitude, don't know a thing or two
Ain't sure about my name, don't know my style
Don't know the dictionaire, don't know what clothes to wear
I'm just in love with you, I don't know loveNo love
No love

No love like yours woman
Show me love, show me loveTeach me love, hear me loveI don't really know the day, cant trust the light
Don't really eat, don't read or write
I don't trust your looks, honey you're too good lookin'
I'm not sure it counts, you're too kindNo love
No love

No love like yours woman
Show me love, show me loveNo love, my love
Teach me love
No love, my love
Hear me love
No love, my loveDon't know America, don't know the bootstrap shimmy
I can't dance on bullshit time
And I'm in trouble 'cause I know money's theft
I'm gonna rob a bank on your dime
But in the morning light, spinning like a 45
I'm in love with you
I don't know loveNo love
No love
No love like yours woman
Show me love, show me loveTeach me love
Hear me love
