where were you?

Black Bottom Collective

Home for the weekend, lookin' for a good time
Of all the numbers, you end up callin' mine
Ready or not, I think I?ll give this a shot
I should know better than to give her what she wants
I picked her up and she was three-fourths gone
She passed out before we even got to talk
All I want to know is
Where were you when I needed you most?
Why did you leave me alone?
We gave up before we gave it a chance
And I don?t understand
Back to where we left off, baby
?How you been? and ?What?s been new with you lately?
Just forget it, it?s the same old runaround
You build me up just to let me down, down
Where were you when I needed you most?
Why did you leave me alone?
We gave up before we gave it a chance
And I don?t understand
Where were you when I needed you most?
Why did you leave me alone?
We gave up before we gave it a chance
And I don?t understand
Just forget it, it?s the same old runaround
Just forget it, just forget it
Just forget it, it?s the same old runaround
Just forget it, just forget it
Where were you when I needed you most?
Why did you leave me alone?
We gave up before we gave it a chance
And I don?t understand, I don?t understand
Where were you when I needed you most?
Why did you leave me alone?
We gave up before we gave it a chance
And I don?t understand
Where were you when I needed you most?
Why did you leave me alone?
We gave up before we gave it a chance
And I don?t understand

Home for the weekend, lookin' for a good time
