Politically Uncorrect

Gretchen Wilson

I'm for the low man on the totem pole
And I'm for the underdog, God bless his soul
And I'm for the guys still pulling third shift
And the single mom raising her kids
And I'm for the preachers who stay on their knees
And I'm for the sinner who finally believes
And I'm for the farmer with dirt on his hands
And the soldiers who fight for this land
And I'm for the Bible and I'm for the flag
And I'm for the working man, me and ol' hag
I'm just one of many who can't get no respect
Politically uncorrect
I guess my opinion is all out of style
oh, but don't get me started 'cause I can get riled
And I'll make a fight for the forefather's plan, that's right
Hell, the world already knows where I stand
And I'm for the Bible and I'm for the flag
And I'm for the working man, me and ol' hag
I'm just one of many who can't get no respect
Politically uncorrect
Nothing wrong with the Bible
Nothing wrong with the flag
Nothing wrong with the working man
Me and ol' hag
We're just some of many that can't get no respect, none
Politically uncorrect
