Let's Just Call It Love

Lisa Stansfield

Let's just do it
(Let's just call it love)
Woo yea aaa yeaIs it any wonder?
I feel beautiful tonight
'Cause the spell I'm under, yeah
Makes the stars shine oh so bright
Is it affection, yeah?
I think, I like it
Whatever you're doing to me
There's no way to describe it
SoLet's just call it love
You call it what you want, call it emotion
Let's just call it love
You can call it a feeling, call it a notion
Ohh let's just call it love
You can say that it's right, you can say that it's wrong
But baby, it's just too damn good
Let's just call it love
Let's just call it loveI'm caught up in the moment, haa
I could be anywhere at all
Ain't nothin' that can bring me down, no
'Cause baby, I feel ten feet tall
Is it obsession?
Though I like it
It's really taken a hold of me now
And I don't want to fight it
No no no soLet's just call it love
You call it what you want, call it emotion
(Yeah, oh yeah)
Let's just call it love
(Yeah)
You can call it a feeling, call it a notion
Let's just call it love
You can say that it's right, you can say that it's wrong
(Ohh it's right, ohh it's wrong)
But baby, it's just too damn good
Let's just call it love
Let's just call it loveYou can call it anything, anything at all
We can take it anywhere, anywhere we want to

'Cause you and me, baby, it's what we need
So let's see that sun, we've got all night long
Let's go on and on and on
Let's go on and on and on
Let's go on and on and on
Let's go on and on and onLet's just call it love
You call it what you want, call it emotion
Let's just call it love
You can call it a feeling, call it a notion
(Call it what you want, baby)
(Give them dominant love)
Let's just call it love
You can say that it's right, you can say that it's wrong
(Ohh)
(But baby)
Baby, it's just too damn good
Let's just call it love
Let's just call it love
(Let's just call it love)Let's just call it love
(Let's see, we'll see)
You call it what you want, call it emotion
(Nanana)
Let's just call it love
You can call it a feeling, call it a notion
(Nana)
(Whoo hoo yeah)
(Give me more)
Let's just call it love
You can say that it's right, you can say that it's wrong
(Woo ooo)
But baby, it's just too damn good
(Woo ooo)
Let's just call it love
Let's just call it love
