

Wonderlust King

Gogol Bordello

Back in the day yo as we learned
A man was not considered to be
Considered to be fully grown
Has he not gona beyond the hills
Has he not crossed the 7 seas
Yeah, 7 seas at least!

Now all them jokers kept around
Just like the scarecrows in hometown
Yeah, scarecrows in hometown
From screen to screen they're travelin'
But I'm a wonderlust king

I stay on the run
Let me out
Let me be gone
In the world's beat up road sign
I saw new history of time...
New history of time!!!

Through Siberian woods
Breaking up their neck

Chinese moving in building discoteques

Transiberian sex toys and whatnot
Yeah, and why not?
Well at least it's something different

From what they got in every other airport

Ja ne evrei, no koje-cto pohozge
sovrat ne dast ni Yura ni Seryozga!
Simple because I'm not a total gadjo
Da ja shut, ja cirkach, nu tak stozge?

I traveled the world
Looking for understanding
Of the times that we live in
Hunting and gathering first hand information

Challenging definitions of sin

I traveled the world
Looking for lovers
Of the ultimate beauty
But never settled in
I'm Wonderlust King!

And presidents
And billionaires
And generals
They'll never know
What I have owned!
What I have owned...
I'm a wonderlust king!
