

# Why'd You Go and Break My Heart

[George Strait](#)

Seems you came along at the right time  
An' fallin' in love was all my idea  
Others warned me about  
The broken hearts you left behind Now why'd you have to go  
And prove 'em right  
Now thanks to you  
I know just how they feel And because of you  
My heart is broke in two  
I'm feelin' like a fool  
For puttin' my trust in you You left me wonderin' why  
You didn't even say goodbye  
Well, excuse me if I'm now that smart  
But why'd you go and break my heart And because of you  
My heart is broke in two  
I'm feelin' like a fool  
For puttin' my trust in you You left me wonderin' why  
You didn't even say goodbye  
Well, excuse me if I'm not that smart  
But why'd you go and break my heart Well, excuse me if I'm not that smart  
But why'd you go and break my heart
