

# Final Heartbreak

Jessica Simpson

It's all about the way you feel it  
Deep in your heart  
When she let you go  
I don't doubt you can't believe  
It tears you apart  
What you didn't know Someday you'll remember  
Why you fell for her, why you said goodbye  
Don't let your broken heart keep forever unmended  
And miss out on a love that is never-ending, yeah This could be your final heartbreak  
I could show you what your love takes  
Never say goodbye, never make you cry  
Yeah, this could be your final heartbreak This could be, your final heart, your final heartbreak I don't wanna take  
advantage  
Or maybe I do  
And I know it's true  
That I can't help undo the damage  
All of the hurt  
That she did to you You need someone you can talk to  
Someone who feels the same about everything you do  
And I could be the one to make you forget her  
I wanna be the one to make you feel better, yeah This could be your final heartbreak  
I could show you what your love takes  
Never say goodbye, never make you cry  
Yeah, this could be your final heartbreak I'll let you feel a love so real, I'll let you know  
Oh oh, I'll let you know  
You will forget she will regret letting you go  
I will not let u go This could be your final heartbreak  
I could show you what your love takes  
Never say goodbye, never make you cry  
Yeah, this could be your final heartbreak This could be your final heartbreak  
I could show you what your love takes  
Never say goodbye, never make you cry  
Yeah, this could be your final heartbreak This could be your final heartbreak, heartbreak  
I could show you what your love takes  
Never say goodbye, never make you cry  
Yeah, this could be your final heartbreak  
Yeah, this could be your final heartbreak
