

# What You're Thinking

## Transmit Now

Well now I'm ready to go and I see you are too.  
Can't take your eyes off of me,  
Can't take my eyes off of you.  
I make my way to the door and I graze by your hand.  
You're three sheets to the wind,  
And you pull me in. This bar doesn't close for an hour or two,  
But I got my eyes set on you. So tell me what you're thinking,  
Cause if it's what I'm thinking, we can blame it on the drink and have  
Ourselves a good time.  
I'll tell you what I'm thinking,  
Let's have another drink and you and I can go and sink into my bed tonight.  
Well now she's ready to go and I think I am too.  
So go and hide that ring, we'll make a mess of things.  
We make our way through the crowd as we are hand in hand.  
I'm three sheets to the wind  
And so I pull her in. This bar doesn't close for an hour or two,  
But I got my eyes set on you. So tell me what you're thinking,  
Cause if it's what I'm thinking, we can blame it on the drink and have  
Ourselves a good time.  
I'll tell you what I'm thinking,  
Let's have another drink and have you and I can go and sink into my bed  
Tonight. Oh yeah, all right, it's on tonight,  
We're gonna make something, we're gonna break something.  
Oh yeah, all right, it's on tonight,  
I know you feel so wrong, I'll make you feel so right.  
Well now I'm ready to go and I see you are too.  
Can't take your eyes off of me,  
Can't take my eyes off of you. So tell me what you're thinking,  
Cause if it's what I'm thinking, we can blame it on the drink and have  
Ourselves a good time.  
I'll tell you what I'm thinking,  
Let's have another drink and have you and I can go and sink into my bed  
Tonight.
