

Love The Way You Miss Me

Casey James

Girl the way youâ€™re talkinâ€™ now
And everything weâ€™re talkinâ€™ about
Ainâ€™t no way, no how
I can put this phone down
Even though weâ€™re miles apart
I can feel you touchinâ€™ my heart
Lyinâ€™ here in the dark
Wishinâ€™ I was where you are

[Chorus]

Baby, youâ€™re driving me crazy
Girl if I could, you know I would
Be right there right now
Baby, youâ€™re making me lose my mind
And Iâ€™m counting down the days â€™til I get home
I love the way you miss me when Iâ€™m gone

[Chorus]

You know what I want to hear
Girl youâ€™re cominâ€™ in loud and clear
Like sweet music to my ears
What Iâ€™d do if you were here

[Chorus]

Girl I hate these nights
When I canâ€™t hold you tight
Because I know by your side
Is right where I belong

[Chorus]
