

# Led Along (Mono Version)

**Del Shannon**

came round last night,  
You wasn't there,  
I don't think it's right,  
You couldn't care,  
I feel that I'm,  
Being led along by you,  
I try to do,  
All the things you want me to, You say I'm the guy,  
I wanna fly,  
Then you say goodbye,  
I wanna die,  
I feel that I'm,  
Being led along by you,  
I try to do,  
All the things you want me to, Maybe I'm wrong,  
What can I do,  
I keep thinking of you day and night,  
Until my mind is split in two, You say I'm the guy,  
I wanna fly,  
Then you say goodbye,  
I wanna die,  
I feel that I'm,  
Being led along by you,  
I try to do,  
All the things you want me to.
