Can't you give me something that will keep ...
I think about the world is right, and even if you can't deny
Then something that will suit meI'm a new kind of woman, I'm a new kind of woman
I'm a don't take shit from kind of woman so
Buckle up cause we gonna move fast
Traveling through... we gotta get past
Buckle up and buckle up tight
Hear a scream, hear a sound in the dark of the night
But right or wrong I'm a new kind of killer
Right or wrong we are, we are killersCan't you give me something that will keep
I think about the world is right, and even if you can't deny
Then something that will suit meI'm a new kind of woman, I'm a new kind of woman
Run around the clock a new kind of woman so
Buckle up cause I'm gonna come quick
All my violence is here in the sound
Singing in ... for the ship to go down
Ready or not I'm a new kind of killerCan't you give me something that will keep
I think about the world is right, and even if you can't deny
Then something that will suit meWould call me even if this day, I did now have one friends
I cannot take it, I'm so hit I tried to style, tried to steal...
Even see the ... just be yourselfI'm a new kind of woman, you're a new kind of man
Come come come get ma as quick as you can
The danger is coming is coming on strong
Take my hand and we'll all sing alongCan't you give me something that will keep ...
I think about the world is right, and even if you can't deny
Then something that will suit me
Watch me more, watch me more
Watch me more, watch me more
Watch me more, watch me more.
