

# Taking the Veil (2003 Remastered Version)

**David Sylvian**

In dresses white, all set for sail  
A little girl dreams of taking the veil  
In dresses white, all set for sail  
A little girl dreams of taking the veil  
On beaches clean of sand and shell  
A little girl dreams of taking the veil  
All lightning bright and thunder loud  
A little girl dreams safe and sound
