

Dog And A Fox

Foxy Brown

Let's do it, we're startin'
Uh, come on boogie boogie, uh uh
Lets do it, let's do it, DMX, come on
I been playin' bitches all my life, from that hoe to my wife
You think I give a fuck like you don't know I'm livin' trife
Strife and struggle
Bitches with pussy on the juggle
Little Shorty named Tomika
From twenty fifth who can smuggle
Cheese to that Columbian Connection
From that 'cross the water section
Baby nine seventeen, try for protection
Injection of that shit I'm kickin'
Got you stickin' niggas you got love for
Bring 'em up, touch 'em with the buzz saw
Bitches slingin' rocks
Swingin' glocks, bringin' knocks
Holdin' down the fort even when it's steamin' hot
Money's being got but honeys actin' shady
So I hit it with five between the three eighty's
Can't fox a three hundred Mercedes
Time like this bring out the savage and shit
Bitches ain't keepin' it real
So I'm damagin' shit
I'm on that scavenger shit, and I'm hungry
Fox with the dog, it's about to get ugly, for real
Aiyyo
Ya bitches suck a dick
Ya'll niggaz eat a clit
Yeah, you think you fuckin' slick
Ya'll niggaz ain't shit
Ya bitches suck a dick
Ya'll niggaz want this bitch
You think you fuckin' slick?
Ya bitches suck a dick
Ya'll niggaz eat a clit
You think you fuckin' slick
Ya'll niggaz ain't shit
Ya bitches suck a dick

Ya'll niggaz want this bitch
You think you fuckin' slick?
Nigga fuck you, eat a fat boy
Do I stacked on pussy, platinum and lace
Ain't no smile on my face
Shit, burn up by the waist
Fuck him right to the safe and tell him
Crack the bitch before I blast his bitch
Ya'll know na-na come through
Dime chicks, iced up, minked out
Rolly six, light grey chrome six
Go to ask, wanna fuck?
Then throw the cash right
Aye bitch needs some dick in they life
Make 'em cop you with rock
Or just copy some rocks
Take it all from his dumb-ass, slide on his bum-ass
I want some shit and I'm hungry
Dog with the fox, it's about to get ugly
Ya bitches suck a dick
Ya'll niggaz eat a clit
Yeah, you think you fuckin' slick
Ya'll niggaz ain't shit
Ya bitches suck a dick
Ya'll niggaz want this bitch
You think you fuckin' slick?
