Red Dress

Sugababes

Cooler than the red dress
'Cos I'm cooler, 'cos I'm cooler
'Cos I'm cooler than the red dress
'Cos I'm cooler, 'cos I'm cooler
A girl's entitled to flaunt to get what she wants
Can't say that it's wrong, no baby
A man's world but boy can't you see
We're pulling the strings, we're taking the lead
And when you're sure you'll never let her play you again
She'll put on your favorite smile
Unplug the phone and get you alone, dirty dance
Her hips will send you into a trance
'Cos I'm cooler than the red dress
I'd rather catch a guy on my own
(Give me credit)
'Cos what you see the man gets
(Don't forget it)
And if he don't I'm better off here alone
Oh, oh, oh, oh, oh, oh, oh
Don't need candlelight to make you stay over
I'm giving it up now, baby
If that's what I gotta do just to own you
I'm giving it up now maybe
(To you)
I've played the desperate lady
Jumped through all of the hoops, boy
Instead of constant craving
I leave the chasing to you
And if you don't respect it
I'll kick with my Jimmy Choos
'Cos boy, if you don't love me
Then I've got nothing to lose
'Cos I've been down this road before
I should have known that I was to blame
Won't put on your favorite smile
Unplug the phone to get you alone
Dirty dance, that's not the way I get my romance
'Cos I'm cooler than the red dress
I'd rather catch a guy on my own

'Cos what you see the man gets
And if he don't I'm better off here alone
(Save your kisses)
'Cos I'm cooler than the red dress
(Do you get it)
I'd rather catch a guy on my own
(Give me credit)
'Cos what you see the man gets
(Don't forget it)
And if he don't I'm better off here alone
Oh, oh, oh, oh, oh, oh, oh
Turned to candlelight to make you stay over
I'm giving it up now maybe
If that's what I gotta do just to own you
I'm giving it up now maybe
Turned to candlelight to make you stay over
I'm giving it up now maybe
(Right now, baby)
If that's what I gotta do just to own you
(Own you, own you baby)
I'm giving it up now maybe
So don't call me baby
(Cooler than the red dress)
So don't call me baby
(Cooler than the red dress)
