The Lord Is My Weapon

Otep

eternal salvation suffers from INFLATION!!{1st verse}
say what u need to, save your soul, but don't fuck with me - eye'm losing control
eye'm so tired of this - so sick of u, my tongue is battered & bruised from all these attitudesteach me the magic
of your sacred pomes. conjuring a voice of signs & omens
prophecies guide the breeze, w/syllables symbols breed
behind the eyes we climb the vine, to sacrifice our wounded minds
in soft wurd trances seek insanity, i can't save u 'cause i hate me{chorus 2x's}
the lord is my weapon - eye shall shoot pawns, womyn is a devil -
YOUR GOD IS A FRAUD
everyone you knew - everything you've ever done, suffer for your freedom -
DIE BY THE LAWsay whut u need to save your soul but leave your religion at the door
we're smokin all of Krsna's weed, eye'm sick of these weak anarchies
u see me as a place to make a bruise, but in my reality eye'm a slave to the muse
fuck those hypocrites - together we'll fight, the tyranny of squares - SQUIGGLES UNITE{chorus 2x's}
the lord is my weapon - eye shall shoot pawns, womyn is a devil -
YOUR GOD IS A FRAUD
everyone you knew - everything you've ever done, suffer for your freedom -
DIE BY THE LAW{bridge}
all u sinners ---- and blasphemers!
BURN IN THE PIT!!
burn{3x's}{chorus 2x's}
the lord is my weapon - eye shall shoot pawns, womyn is a devil -
YOUR GOD IS A FRAUD
everyone you knew - everything you've ever done, suffer for your freedom -
DIE BY THE LAWthe lord is my weapon - eye shall shoot pawns, womyn is a DEVIL!! -
