

# I Don't Want To Know (feat. Gaby Moreno)

## Spencer Day

Dead of the night, your tires on the gravel  
The key in the lock and a distant hello  
When did our love begin to unravel, oh,oh,oh,oh  
I don't wanna know You're searching for words you're hoping won't hurt me  
I know you try to soften the blow  
How many days until you desert me, oh,oh,oh,oh  
I don't wanna know, oh,oh,oh,oh  
I don't wanna know I never thought I could get in so deep  
Never found anyone that I wanted to keep, oh babe  
Not til you came my way I was the one with the knight on the door  
Now I'm out in the cold and I'm begging for more  
Oh baby, please don't drift away  
There's no reason why we should say goodbye  
Please don't let it die
