

Prettiest Girl

The Frustrators [Griller]

See I got the best man in the world
What more can you ask for ladies
When he makes you feel like you're the prettiest He wakes me up early in the morning
With the smell of breakfast in bed
It's like a fairytale beginning
A heart full of love, and there's no win
It's got me looking kinda crazy
It's too good to be true
Ain't no man that will make me ever feel like you do
And our love is everyday out there 24/7
Our love it feels like cupid down shooting from heaven
Undescribable
How it feels with you I wanna say thank you for making me feel like I'm the prettiest girl in the world
No matter what I got, only sensing you T-Boy, it's a fact that keeps me so in love
And I wanna thank him, I feel like i'm the prettiest girl in the world
May disagree, but it don't really matter to me,
Say what you want
Cause to him, i'm the prettiest girl in the world Rose petals on the floor
You don't let me to steam and shower
Now it's time to show me
Everything that he's planned for us Our love is everyday out there, 24/7
Our love it feels like cupid down shooting from heaven
Undescribable
How it feels with you
Undescribable
How it feels with you And I wanna say thank you for making me feel like I'm the prettiest girl in the world
No matter what I got, only sensing you T-Boy, it's a fact that keeps me so in love
And I wanna thank him, I feel like i'm the prettiest girl in the world
May disagree, but it don't really matter to me,
Say what you want
Cause to him, i'm the prettiest I know i'm the prettiest that's why they all be hating all over me When my hair
looks a mess, yeah he gon' tell me that i'm beautiful, i'm beautiful
Check it, when I run around here, I ain't got no make up, i'm beautiful
He says i'm beautiful He makes me feel like I'm the prettiest girl in the world
No matter what I got, only sensing you T-Boy, it's a fact that keeps me so in love
And I wanna thank him, I feel like i'm the prettiest girl in the world
May disagree, but it don't really matter to me,
Say what you want
Cause to him, i'm the prettiest girl in the world
