

# Lost On You

LP

When you get older, plainer, saner  
When you remember all the danger we came from  
    Burning like embers, falling, tender  
    Long before the days of no surrender  
Years ago and well you know  
    Smoke 'em if you got 'em  
    'Cause it's going down  
    All I ever wanted was you  
    I'll never get to heaven  
    'Cause I don't know how  
    Let's raise a glass or two  
        To all the things I lost on you  
        Oh oh  
        Tell me are they lost on you?  
        Oh oh  
        Just that you could cut me loose  
        Oh oh  
        After everything I've lost on you  
        Is that lost on you?  
        Oh oh  
        Is that lost on you?  
        Oh oh  
        Baby is that lost on you?  
Is that lost on you? Wishing I could see them back in nations  
    Understand the toil of expectations in your mind  
    Hold me like you never lost your patience  
Tell me that you love me more than hate me all the time  
    And you're still mine  
    So smoke 'em if you've got 'em  
    'Cause it's going down  
    All I ever wanted was you  
    Let's take a drink of ever lisk  
    And turn around  
    Let's raise a glass or two  
        To all the things I've lost on you  
        Oh oh  
        Tell me are they lost on you?  
        Oh oh  
        Just that you could cut me loose  
        Oh oh  
        After everything I've lost on you  
        Is that lost on you?  
        Oh oh

Is that lost on you?  
Oh oh, oh oh  
Baby is that lost on you?  
Is that lost on you? Let's raise a glass or two  
To all the things I've lost on you  
Oh oh  
Tell me are they lost on you?  
Oh oh  
Just that you cold cut me loose  
Oh oh  
After everything I've lost on you  
Is that lost on you?  
Is that lost on you?
