Talk Back

Drew Seeley

Put your hands out the air
Yeah
(Yeah)
I make that pussy talk back, back
Back, back, back, back, back
I make that pussy talk back, back
Back, back, back, back, back
I make that pussy talk back, back
Beat it from the back
I bet I'll make that pussy talk back
I make that pussy talk back, back
If you hit it from the back
I bet I'll make this pussy talk back
(Let's go)
You like Sasha
(What?)
Sasha Row
(Sasha Row?)
Get it to you when your eye can't close
I'm sergeant slaughter
Mr. Slaughter house
We Slaughter hoes
Tell your girl to wipe her mouth
Drop my drawls dick
Hanging with my feet out
Watch your daughter dog
Put her on the meat rack
Video tape, R Kelly shit
Lying that bitch
Told her she would sell a bid
She can sell bid
(Yeah)
Well, buy a bid
(Yeah)
Well, get it back
(How?)
Well, sell a bitch
(Yeah)
Have her come back home bone legged

Man do I even got to say it
I make that pussy talk back, back
Back, back, back, back, back
I make that pussy talk back, back
Back, back, back, back, back
I make that pussy talk back, back
Beat it from the back
I bet I'll make that pussy talk back
I make that pussy talk back, back
If you hit it from the back
I bet I'll make this pussy talk back
She want that slum game
Want me to lie to her
So I told her that I love her like a God do
But I ain't eat it, I just beat it up
You would thought she was a slave
The way I treated her
I took the rubber off
Skeeted on her back
Same place where her man got his name at
Told her take a picture
Go and frame that
Bitches say that I'm a dog the way I treated cat
I make that pussy talk back like a rude child
Pop a pill oh man girls gone wild
Now to gear it on, bitch, grab a towel
Then go to soap, shower
I make that pussy talk back, back
Back, back, back, back, back
I make that pussy talk back, back
Back, back, back, back, back
I make that pussy talk back, back
Beat it from the back
I bet I'll make that pussy talk back
I make that pussy talk back, back
If you hit it from the back
I bet I'll make this pussy talk back
