

# Naughty Boy

## Girl

You naughty boy!

You naughty boy (ah)

You're my naughty boy  
You're the one my mother loves, but daddy won't

Aha aha

Darling, you're my naughty boy  
You got the touch, and I can't get enough

Aha aha

Sexy, sexy

I'm a ladies' man  
Always ready to answer a call  
Just give me a chance  
And I will give you all

For so long I have tried to get to you  
Darling, you're a one-of-a-kind  
In my dreams every night it's me and you  
Darling, please, will you be mine?

You're my naughty boy  
You're the one my mother loves, but daddy won't

Aha aha

Darling, you're my naughty boy  
You got the touch, and I can't get enough

Aha aha

Yeah  
You know who I am  
(Oh)

Yeah, I'm the one  
Who never, ever close the door  
Darling, come with your flower  
And I will give you more

For so long I have tried to get to you  
Darling, you're a one-of-a-kind (Yeah)

In my dreams every night it's me and you (Ah)  
Darling, please, will you be mine? (Ah)

You're my naughty boy  
You're the one my mother loves, but daddy won't  
Aha aha  
Darling, you're my naughty boy  
You got the touch, and I can't get enough  
Aha aha  
(Ah)

You're my naughty boy  
You're the one my mother loves, but daddy won't  
Aha aha  
Darling, you're my naughty boy  
You got the touch, and I can't get enough  
Aha aha

I'm your sex bomb  
Hold me tight  
(Sex, sex, ah, ah)  
Yes  
(Oh, oh, ooh)  
Darling, come with your flower  
I'm your naughty boy

You're my naughty boy  
You're the one my mother loves, but daddy won't  
Aha aha  
Darling, you're my naughty boy  
You got the touch, and I can't get enough  
Aha aha (Uh, uh, yeah)

You're my naughty boy  
You're the one my mother loves, but daddy won't  
Aha aha  
Darling, you're my naughty boy (Ah)  
You got the touch, and I can't get enough (Whoa, whoa, whoa, whoa, whoa)  
Aha aha

Mmm  
(Uh, uh)  
I'm a naughty boy  
(Oh!)

You naughty boy!

Ah  
Yeah, yeah  
Uh, uh, baby  
Oh

Uh huh
