Baby, What a Big Surprise

Chicago

Right before my very eyes
I thought that you were only fakin' it
And like before my heart was takin' itBaby, what a big surprise
Right before my very eyesYesterday it seemed to me
My life was nothin' more than wasted time
But here today you've softly changed my mindBaby, what a big surprise
Right before my very eyesJust to be alone
Was a little more than I could take
Then you came to stayHold me in the mornin'
Love me in the afternoon
Help me find my way, heh, yeahNow and then just like before
I think about the love I've thrown away
But now it doesn't matter anywayBaby, what a big surprise
Right before my very eyes
Baby, what a big surprise
Right before my very eyesBaby, what a big surprise
Right before my very eyes
Baby, what a big surprise
Right before my very eyesBaby, what a big surprise
