

There Is Nothing Left (Single Mix)

The Drums

You will die
We walk through the fire
Just to die
Just to die And the hope I had for the first time in my life
I let it die I wanted to love you
But in my heart there is nothing left
I wanted to haunt you
But in my heart
There is nothing left Instrumental I thought that we were important
But we don't matter at all
At all Put your hands on my face
One last time
And to say goodbye I wanted to love you
But in my heart there is nothing left
I wanted to haunt you
But in my heart
There is nothing left Instrumental I don't want to say goodbye
But I have to say goodbye
I don't want to say goodbye
But I have to say goodbye I don't want to say goodbye
But I have to say goodbye
I don't want to say goodbye
But I have to say goodbye I wanted to love you
But in my heart there is nothing left
I wanted to haunt you
But in my heart
There is nothing left
