Two Are Better Than One

Petra

You can call me up in the night
I will pray till you win the fight
We're more than friends
We walk together
Through any weather
We sharpen each other
I'll be there when you call
Lift you up when you fall
Two are better than one
You will pray when I'm weak
Help me back on my feet
Two are better than one
Two are better than one
When I start to cross the line
You just seem to read my mind
And then you bust me
Then turn around and trust me
Come to the rescue
I'll do the same for you
I'll be there when you call
Lift you up when you fall
Two are better than one
You will pray when I'm weak
Help me back on my feet
Two are better than one
Two are better than one
I don't want to go solo
It's always better with two
I just want someone to lift me up
To pray and help me get through
I'll be there when you call
Lift you up when you fall
Two are better than one
You will pray when I'm weak
Help me back on my feet
Two are better than one
Two are better than one
