

You Can Get It if You Really Want

Desmond Dekker

You can get it if you really want
You can get it if you really want
You can get it if you really want
But you must try, try and try
Try and try, you'll succeed at last
Persecution you must bear
Win or lose you've got to get your share
You've got your mind set on a dream
You can get it, though harder then seem now
You can get it if you really want
You can get it if you really want
You can get it if you really want
But you must try, try and try
Try and try, you'll succeed at last
Don't you know, listen
Rome was not built in a day
Opposition will come your way
But the hotter the battle you see
It's the sweeter the victory, now
You can get it if you really want
You can get it if you really want
You can get it if you really want
But you must try, try and try
Try and try, you'll succeed at last
You can get it if you really want
You can get it if you really want
You can get it if you really want
But you must try, try and try
Try and try, you'll succeed at last
Don't you know it
Don't I show it
Don't you know
