Overcome

Tye Tribbett

Seated above, enthroned in the Father's love
Destined to die, poured out for all mankind
God's only Son, perfect and spotless one
He never sinned but suffered as if He didAll authority
Every victory is Yours
All authority
Every victory is YoursSavior, worthy of honor and glory
Worthy of all our praise, You overcame
Jesus, awesome in power forever
Awesome and great is Your name, You overcamePower in hand speaking the Father's plan
You're sending us out, light in this broken landWe will overcome by the blood of the Lamb
And the word of our testimony, everyone overcomeAll authority
Every victory is Yours
All authority
Every victory is YoursSavior, worthy of honor and glory
Worthy of all our praise, You overcame
Jesus, awesome in power forever
Awesome and great is Your name, You overcameWe will overcome by the blood of the lamb
And the word of our testimony
Everyone overcome
[repeat 5x]Everyone overcome
Everyone overcome
Everyone overcome
Everyone overcome
