

# I Can't Tell My Heart That

[Don Gibson](#)

I can't tell my heart, that you are no good  
I'd give this world, if only I could  
You cheated and lied and you left me flat  
I know it's true, but I can't tell my heart that Oh my foolish heart, why won't you believe  
That some one is gone, it's no use to grieve  
Still pining for some one, who will never come back  
I know it's true, but I can't tell my heart that I can't tell my heart, that you are no good  
I'd give this world, if only I could  
You cheated and lied, and you left me flat  
Yes it's true but I can't tell my heart that My heart still cries out, it wasn't long ago  
That we were together, you said you loved me so  
Somewhere out there, it don't matter where at  
To you I'm forgotten, but I can't tell my heart that I can't tell my heart, that you are no good  
I'd give this world, if only I could  
You cheated and lied, and you left me flat  
Yes it's true, but I can't tell my heart that
