Paralyzed

Pleasure P

[Intro]
X4 Paralyzed[Verse 1]
[?], see you everywhere
Looking in my telephone, waiting for your text
Knowing that I done wrong, I know you ain't coming home
That's my worst mistake, oh baby[Bridge]
Cause you know I've been fucking with them girls [?]
Going through my Instagram, see the comments
Begging for the truth cause you know I'm lying, I've been [?][Hook]
Paralyzed, for life
I'm reaching from the outside, to nowhere
Paralyzed, for life
I'm reaching from the outside, to nowhere
Paralyzed, Paralyzed, reaching for the oustide, Paralyzed[Verse 2]
Incomplete, it's how I felt when you left me
So incomplete, you say you don't even know me[Bridge]
Cause you know I've been fucking with them girls [?]
Going through my Instagram, see the comments
Begging for the truth cause you know I'm lying, I've been [?][Hook] (2x)
Paralyzed, for life
I'm reaching from the outside, to nowhere
Paralyzed, for life
I'm reaching from the outside, to nowhere
Paralyzed, Paralyzed, reaching for the oustide, Paralyzed[Outro]
2x Paralyzed
